How you are charged for services and adviser remuneration

The cost of providing a financial product or service to you will depend on the nature and complexity of the advice, financial product and/or service provided. Generally, whenever I provide a recommendation for a financial product or service, I will be remunerated through either:

- An initial fee for service
- An ongoing fee for service

- A contribution fee or implementation fee
- Commission payments from product providers where applicable
- A combination of any of the above.

Prior to preparing any advice or providing financial services to you, we will discuss and agree upon all fees that will apply.

My service fees	
Hourly rate (or part thereof)	From \$500
Advice and/or implementation fee	From \$3,650
Ongoing retainer (Fixed fee based on service package)	From \$1,100 pa
(Percentage charge of funds under management)	From 0.75%
<i>For example, if your portfolio is for \$100,000 you will be charged \$750 p.a.</i>	0.75% pa up to \$500,000
<i>For example, if your portfolio is for \$500,100 you will be charged \$3,000.6 p.a.</i>	0.6% over \$500,000

How commission and other forms of remuneration/benefits are calculated

Where an insurer pays a commission, this may be up to 60% of your initial premium and then up to 20% of your ongoing premium. For example, if your premium is \$1000 your adviser would receive \$600 initial and \$200 in ongoing commission.

I may receive a salary or dividends from Infinite Zephyr and may also receive a management fee or distribution of profits from Infinite Zephyr and/or NDT Capital Pty Ltd. The amount of my salary is dependent on a range of factors including my experience, skills and professional standards.

The exact amounts of any fees, commissions, bonuses or other incentives received by NDT Capital Pty Ltd and me will be disclosed in your SOA or ROA. Fees and commissions are paid to NDT Capital Pty Ltd in the first instance who then pay your adviser/s.

Do I have any referral arrangements, conflicts of Interest or related parties that affect your advice?

Infinite Zephyr and I have referral arrangements in place with a range of specialist businesses as this allows me to refer you to other professionals in areas that I do not practice in.

Should you be referred to us by one of those specialists such as an accountant, mortgage broker or solicitor, that third party may receive a fee for the referral. You will receive more detailed information concerning any referral fee in your SoA or other relevant document.

I do not receive referral fees personally from any party. Neither your Adviser nor the Licensee have any association or relationship with the issuers of financial

products or third-party service providers that might reasonably be expected to be capable of influencing them in the provision of financial services to you.

I am a beneficial share owner in NDT Capital Pty Ltd.

Infinite Zephyr and I are related parties to:

- NDT Capital Pty Ltd as we are shareholders and controllers of the licensee
